Simple. Stable. Flexible

Eclipse Scout

Wicket Integration

Give your Scout Application a Webinterface

Nathan Burgherr

BSI Business Systems Integration AG

Why wicket?

Good Match with Eclipse Scout

– Java

– Component based

– Separation of logic and markup

– AJAX

Integration

Scout App
Classical

Application Server

Scout Server Plugin

OSGi

Scout Shared Plugin

OSGi

Scout Client Plugin

OSGi

Scout Swing / SWT UI-Pluigns

Client

HTTP

eclipseCON™ 2011

Integration
