openMDM Summit

- Hans-Jörg is currently asking around who is willing to present at the Summit. Currently the following list of potential presentation exists:
    - Skoda - OpenMDM 5 + Cloud + BigData for datalogger data (confirmed by Skoda)
    - Siemens - OpenMDM in Simcenter Testlab Data Management (requested)
    - BMW - Hr Hiltman (?) - OpenMDM API for interior/exterior testing (requested)
    - Peak Solution will present
    - Karakun will present EXOKNOX
    - Angelika will present openMDM
- Duration of presentations: 15 - 25 minutes
- Müller BBM will not present this time

- Confirmations & short abstracts expected by 17 April
- Potential dates for the event: 23-24-25 May - alternatively 20-21 June or 28-29 June
- Only online meeting - 13:30 - 16h depending on number of presentations

Status ASAM initiative

- Hans-Dirk attended ASAM GA and reminded Benjamin Engel (CTO ASAM eV) about the outstanding feedback. Ben asked for the project proposal and wanted to come back within the next week.

openMDM with ASAM ODS 6

- BMW wants to implement Notification API of ASAM ODS 6 based on recent requirements
- Uli was going to approach ASAM to check what is the current status with respect to OpenMDM getting the right to use version 6
- Can have a technical discussion later on how this will be implemented technically.
