

# openMDM SC Call 26.01.2022

## Attendees:

- Hans-Jörg Kremer (Peak Solution)
- Michael Plagge (Eclipse Foundation)
- Angelika Wittek (Toolkit Manager)
- Stefan Wartini (Müller BBM)
- Gert Sablon (Siemens)
- Ulrich Bleicher (BMW)
- Hans-Dirk Walter (Karakun)

Minutes: Hans-Dirk

## Topics:

- Anti Trust Policy Notice (Michael Plagge)
- Status contracts 2021
  - contracts in work
- Status initiatives
  - ASAM
    - ◆ one first meeting between Eclipse and ASAM - Peter Foss / Mike Milinkovich / Michael Plagge - there is a need for a follow up meeting to discuss legal questions (e.g., trademark, open source) - ASAM ODS team of openMDM should be invited as well.
    - ◆ Proposal: member of ASAM TSC should participate at the meeting, too (besides board member and executive manager)
    - ◆ openMDM team will meet to discuss open questions regarding the standard proposal and will share the identified questions with Michael -> Hans-Dirk will organise the meeting.
  - openMDM Summit
    - ◆ see attached slides
    - ◆ every openMDM member should decide until next SC-call whether his organisation will be able to contribute to the summit by inviting interested parties and by giving a talk.
- Planning: Feature Development for openMDM 2022:
  - topic for the next SC meeting - BMW and MTU are kindly requested to give input about their plans.
- Interest in openMDM by Arrk (<https://www.arrkeurope.com>)
- Next SC meeting: 23.02.2022 - 15:00
